POSITIONS OF RESPONSIBILITY

Sanskriti Club :- Event Manager

As the **Event Management Head** of **Sanskriti club,** I've had the opportunity to **lead** and organize a variety of cultural events that brought our college community together. From initial planning to final execution, I've worked closely with a diverse team of students to manage everything from logistics and budgeting to promotion and on-ground coordination. My role taught me the value of **teamwork**, **communication** and **staying calm under pressure** while also allowing me to express creativity and **leadership i**n a collaborative environment.

Byteminds Society:- Vice President

As **Vice President** of **Byteminds Society,** I've played a key role in shaping the club's direction by launching student-focused **technical events, workshops,** and competitions. I worked with faculty, peers, and junior members to turn ideas into action—whether that meant **planning an AI seminar** or organizing a coding challenge. This role helped me grow as a leader who values clear communication, **mentorship,** and building a strong, inclusive **team culture** within the department.
